Dear Sirs,

As you may be aware, negotiations were officially begun between the European Union and Andorra to achieve an Association Agreement (AA) on March 18th 2015.

There are many challenges ahead that Andorra faces and the Andorran parliament considers that dialogue and an exchange in inter-parliamentary experience with European institutions and their member states could provide knowledge of the different types of internal organisation and good practices of national parliaments.

It is for this reason that it would be a great honour for the Andorran parliament to be invited, as an observer, to attend the forthcoming plenary meeting of the Conference of Parliamentary Committees for Union Affairs of Parliaments of the European Union (COSAC). The Andorran participation in the meeting could be a valuable opportunity to strengthen inter-parliamentary relations and to obtain information about the role of the national parliaments in the EU.

We would be very grateful if you could consider our proposal.

I look forward to hearing from you.

Yours faithfully,

Carles ENSENAT  
Chairman  
Foreign Affairs Committee
