

**SENATE OF THE REPUBLIC OF POLAND  
THE EUROPEAN UNION AFFAIRS COMMITTEE**

Warsaw, October 21, 2015

**Mr Marc ANGEL**

Chairman of the Committee on Foreign and European Affairs, on Defense, Cooperation and Immigration  
Chambre des Députés, Luxembourg

Dear Mr Angel,

*Dear Marc*

With this letter I would like to inform you that after 5 parliamentary terms and 18 years of exercising a senator's mandate I have decided to focus on my professor's duties at the Gdańsk University of Technology. Therefore I am not going to run for re-election.

Over the past 10 years I have had a privilege to chair the European Affairs Committee of the Senate of the Republic of Poland. In that capacity I have had a unique opportunity to cooperate with so many wonderful people, not only in the framework of the COSAC, but also in the broader context of regional and bilateral interparliamentary relations. In spite of numerous difficulties and challenges we have all faced locally and globally, that was the time of many significant developments and achievements in Poland as well as in the European Union.

Personally, I really appreciate that throughout those years I worked with and befriended many competent, interesting and nice people and I wish to thank you all for that experience. Finally, I would like to wish all of you every success in your endeavours for the benefit of your countries and Europe as a whole as well as happiness in your personal pursuits.

Yours sincerely,

  
Edmund Wittbrodt  
Chairman of the EU Affairs Committee
