## Mr Michele Bordo

Chairman of the Committee on EU Policies Chamber of Deputies of the Republic of Italy Rome

Budapest, 20 October 2014

Dear Mr Chairmen,

I kindly inform you that the parliamentary committees dealing with EU affairs of the Visegrád Group countries as a rule meet before each COSAC plenary sitting. In the second half of 2014 it was the Hungarian National Assembly that had the honour to host the committee-level meeting of this regional cooperation. The focus points of the discussions were the review of the EU 2020 strategy as well as the 2030 Framework for climate and energy policy.

I have the pleasure of sending you herewith the conclusions adopted by the representatives of the EU affairs committees of Hungary, Czech Republic, Poland and Slovakia at the meeting of 14-16 October 2014 held in my constituency in Northern Hungary.

I am looking forward to meeting you soon in Rome.

Yours sincerely,
