

**SENATE OF THE REPUBLIC OF POLAND
THE EUROPEAN UNION AFFAIRS COMMITTEE**

Warsaw, November 20, 2014

Mr Vannino CHITI

Chairman of the Standing Committee on EU Policies
Senate of the Republic

Mr Michele BORDO

Chairman of the Standing Committee on EU Policies
Chamber of Deputies

Dear Colleagues,

As regards the draft COSAC Contribution I would like to make only one general remark: it should be concise and much less detailed.

In my opinion, the COSAC Contribution - as a document addressed to EU Institutions - has to concentrate on most crucial and current issues to be debated on the COSAC forum, and in order to fulfill its role should be as brief as possible.

I am looking forward to meeting you in the forthcoming COSAC in Rome.

Yours sincerely,

Edmund Wittbrodt
Chairman of the European Union Affairs Committee
