Mr Ioannis Tragakis
Chairman of the Committee for European Affairs
The Hellenic Parliament

Dear colleague

On 6 May 2014, the first joint meeting of the Committee on EU Affairs of the National Assembly of the Republic of Slovenia and the European Affairs Committee of the Croatian Parliament took place in Ljubljana.

The representatives of the committees discussed issues related to the role of the parliaments of the EU in bringing European policies closer to the citizens of the EU and the possible forms of the cooperation between the committees in the future.

Please find enclosed meeting conclusions for your reference, as the Presidency of the COSAC.

I am looking forward to meeting you in the upcoming COSAC Plenary meeting in Athens.

Sincerely yours,

Jožef Horvat
Chairman
