Dear Mr President

Please find enclosed the Contribution adopted by the COSAC plenary taking place in Copenhagen on 22-24 April.

The conference adopted a Contribution which encourages the EU institutions and Member States to bring the twelve priority key actions of the Single Market Act to a successful conclusion as soon as possible to create a new momentum and dynamism to European economy.

Furthermore COSAC expressed its support for the Commission's plan to launch a comprehensive set of new proposals for priority actions before the end of 2012. The Contribution also encourages Member States to put particular emphasis on timely transposition of Single Market rules and continued efforts to improve the transposition and enforcement of Single Market Rules.

Finally I would like to thank you for the European Parliament's participation in the COSAC meeting in Copenhagen and for the invaluable contribution that Mr Malcolm Harbour and your delegation made to the political debate at the meeting.

Yours sincerely
