Chairman of the Committee for EU Affairs  
National Assembly of the Republic of Slovenia

Vilnius, 7 April 2008  
Ref. S-2008-3353

Dear Mr Chairman,

The Committee on European Affairs of the Seimas of the Republic of Lithuania has received a letter from the Committee for Foreign Policy and European Integration of the Parliament of the Republic of Moldova asking for support to the representatives of the Moldovan Parliament to participate in the XXXIX COSAC meeting on 7-8 May 2008. They expressed the greatest interest in continuing the participation in COSAC activities as the further attendance provided them with a good opportunity to inform the colleagues from the European Union about their view on the European Neighbourhood Policy and to establish new relations of cooperation with the member states.

Given the importance of cooperation between the national parliaments of the European Union and East European parliaments, I would like to ask you to respond positively to the request of the Moldavian colleagues and invite the representatives of the Moldovan parliament to attend the XXXIX COSAC meeting on 7-8 May 2008, which is going to discuss the Future of Europe as well as the cooperation between the European Union and the Western Balkan countries in the field of Home Affairs.

Looking forward to meeting You soon,

Andrius Kubilius

Chairman of the Committee
